

OAK TRACE WEEKLY UPDATE

January 19, 2024

Hello From Mrs. Hitch

Happy Friday!

What a week! Thank you for your flexibility with the two hour delays. Please note that if we have a two hour delay, Helping Hands will not meet. Also if we would have a delay on a Wednesday, it is treated as a normal two hour delay with the first bell at 9:40 and tardy bell at 9:50.

We go outside for recess in the winter if the temperature is 15 degrees or above. Please make sure your children are wearing hats, gloves, and warm coats to school. They are permitted to go in snow if they bring snow pants and boots. I highly recommend labeling the items. Our lost and found fills up quickly!

We are looking for extra help in the lunchroom. If you can help, please sign up here.

<https://signup.com/go/TQYrRfS>. Thank you!

Just a reminder that the first bell rings at 7:40 AM to enter the building, and the tardy bell and school start time is 7:50 AM. On Wednesdays, the first bell rings at 8:10 AM, and the tardy bell rings at 8:20AM.

You will not be allowed to join our Valentine parties if you are not Safe Visitor approved. We hate turning people away! Please click the link below and make sure you and your spouse are Safe Visitor approved. To sign up for Safe Visitor, please for Safe Visitor, please visit <https://www.wws.k12.in.us/Page/1474>. If you aren't sure if your Safe Visitor has expired, you can email Lori Egler at eglerl@wws.k12.in.us. Thank you!

Have a wonderful weekend!

What's happening in Stem

We had a wonderful week in STEM! My Super STEMers board needs some more pictures. Does your student like doing STEM related things at home? If so, please send me a picture of them with their project so I can hang it outside of my room. Options include, but are not limited to, Lego builds, Magnatiles creations, science experiments, and outdoor explorations. Please send any pictures to me at school digitally or with your student to STEM. Have a great weekend, and please contact me with any questions or

What's happening in the Library

This week, we are diving into Digital Citizenship! We all know how screen time has become part of our daily lives and I shared some important information with the students about media usage. We talked about media balance and well-being, privacy and security, digital footprints and more! I use Common Sense Media as my gathering place for sharing information! It has some great ideas that are easy for elementary-aged children to understand! We will continue with Digital Citizenship discussions next week as well!

Nurse's clinic

To safeguard the transportation of medication to and from school, all medication prescriptions and over the counter must be dropped off by a parent or guardian in the health clinic. Students are not permitted to carry any medication without a physician's order in writing on file with the school nurse. Please contact your school nurse for assistance if needed.

Please return any clothes your child has had to borrow from the nurse's clinic. I am running low on my supply of clothes.

concerns at
gibbsj@wws.k12.in.us.

I hope you are all taking advantage of these chilly days to snuggle up with some great books!

Thank you so much for your help in this matter.

We are also super excited to host the author Troy Cummings on March 4th! He is the author of Can I Be Your Dog? and Rise of the Balloon Goon Notebook #1. A form was sent home with the students to order books that Mr. Cummings will sign during his visit. All orders are due February 6th.

Happy Reading!
